Psychiatrist Opportunity in Established Health System

Seeking a Psychiatrist to join our incredibly capable and fun staff comprised of multi-disciplinary mental health providers that are extensively trained and highly dedicated.

**St. Luke’s Health System** headquartered in Boise, is a locally owned and operated, physician-led, not-for-profit health system with more than 13,500 employees and a medical staff of over 1,800.

**Southwest Idaho** is an exciting blend of urban and outdoor life. Our mild, four-season climate means you can play outdoors year-round. It’s a great place to practice medicine, raise a family and forge lasting relationships. The cost of living is low and quality of life is high.
