About Munson Medical Center

Munson Medical Center (MMC) is a 391-bed nonprofit hospital serving as northern Michigan’s regional referral center. It is the largest of the nine Munson Healthcare hometown hospitals located throughout northern Michigan. MMC is nationally recognized for superior quality care and operational performance. Home to an award-winning heart program, it is the only Level II Trauma Center north of Grand Rapids, and has the only Neonatal Intensive Care Unit in northern Michigan. Munson Medical Center also has been designated as a Primary Stroke Center by the Joint Commission.

About Traverse City

Located on the northwest coast of Lower Michigan, Traverse City is a four-season resort area which boasts beautiful scenery, year-round activities, and a safe, family friendly community with excellent public, private, and parochial schools.

Traverse City offers world-class golf, great cross-country skiing, and plenty of water for sailing, swimming, and kayaking. Vibrant fruit, wine, and micro-brew industries dot the peninsulas. Traverse City is also a great place for dining, with a growing cadre of talented and original chefs. There’s food for the soul here too, thanks to hundreds of artists, craftsmen and musicians who’ve made Traverse City their home.
