Adult Psychiatrist Opportunities

Positions in Missouri

Mercy Clinic, a regional and national recognized leader in healthcare, is seeking BE/BC Adult Psychiatrists to join our teams in Missouri on the campus of Mercy Hospital Jefferson and at our McAuley Clinic at Mercy Hospital Washington.

About Mercy Clinic:
A strong, physician-led and professionally-managed multi-specialty group with more than 700 physicians and 45 medical specialties, including more than 125 pediatric providers. Mercy Clinic is a part of Mercy Health, the seventh largest Catholic health care system in the nation.

Located in seven states, Mercy is comprised of 34 hospitals employing 40,000 co-workers and more than 2,000 Mercy Clinic physicians.

Opportunities:
- Mercy McAuley Clinic provides prenatal and pediatric care to uninsured, underinsured and Medicaid-eligible women and children in more than five counties. Primary responsibilities will be to provide outpatient services four –days a week at our clinic. No call or weekend responsibilities.
- Mercy Hospital Jefferson has a contracted team that provides Inpatient coverage in our 60 bed unit (both Adult & Geriatrics) & 12 bed medical/psychiatric unit. Primary responsibilities will be both outpatient practice and IOP program.

This Position Offers:
- Hospital employment with a highly competitive income guarantee
- Comprehensive benefits including health, dental, vision and CME
- Relocation assistance and professional liability coverage
- System-wide EPIC EMR
