The weather alone makes Central California an ideal place to relax and play. Then there are the countless amenities you can explore and enjoy with your family and friends. Take an early morning hike in the mountains. Spend an afternoon at the beach. Share a twilight picnic in the park. Do whatever it is you like to do but, most importantly, enjoy yourself. After all, that’s what living in Central California is all about.

In addition to a picturesque location in Central California’s recreational heartland, Kaiser SCPMG is proud to offer its physician partners:

- An organization that has served the communities of Southern California for more than 60 years
- Stability during times of change in healthcare nationwide
- A physician-led practice that equally emphasizes professional autonomy and cross-specialty collaboration
- An environment that promotes excellent service to patients
- A fully implemented electronic medical record system
- Comprehensive administrative support
- An excellent salary, comprehensive benefits and partnership eligibility after 3 years
