**St. Vincent Kokomo – Adult Psychiatrist**

**St. Vincent Kokomo Behavioral Services** is seeking a full-time Adult Psychiatrist for their established practice in Kokomo, Indiana. Working daytime hours, Monday – Friday, this candidate would primarily be responsible for outpatient care for adults as well as adolescents/children when needed.

**Position Highlights:**

- diagnosis and treatment of patients with psychiatric and addictions diagnoses
- consult on the medical floor
- partial unit and intensive outpatient care
- opportunity to take call on inpatient unit every 4 or 5 weeks (which would include additional pay)
- outpatient and inpatient programming support and hospital medical staff support

Known as "The City of Firsts" for all the remarkable inventions and products first produced here, Kokomo is a progressive, innovative community with a strong emphasis on the quality of life and education. Kokomo offers outstanding schools, professional health care and reputable businesses. The many festivals, fairs, art shows and performances assure there is always something to do. Four museums, community and University Theater, band concerts and the Kokomo Symphonic Orchestra add to the cultural offerings. There are also 30 city-operated parks and an extensive program of organized sports. It is this combination which makes this a great place to live, work and play. Howard County is ideally situated for easy access to shopping, recreational activities, business endeavors, and cultural events. Kokomo is just 45 miles north of Indianapolis.
