Mercy Clinic is seeking a BE/BC Adult Psychiatrist to join The McAuley Clinic on campus of Mercy Hospital in Washington, MO.

The McAuley Clinic at Mercy Hospital Washington, MO, started in 1992 to provide prenatal and pediatric care to uninsured, under-insured and Medicaid-eligible women and children in more than five counties. Today, we have grown to include comprehensive primary care, family medicine, women’s health care, ADHD treatments, mental health services and more.

This Position Offers:
- Hospital employment with a highly competitive salary
- Four–day work week
- Comprehensive benefits including health, dental, vision and CME
- Relocation assistance and professional liability coverage
- System-wide EPIC Software usage

About Mercy Clinic:
A strong, physician-led and professionally-managed multi-specialty group with more than 700 physicians and 45 medical specialties. Mercy Clinic is a part of Mercy Health, the seventh largest Catholic health care system in the nation. Located in seven states, Mercy is comprised of 34 hospitals employing 40,000 co-workers and more than 2,000 Mercy Clinic physicians.

Washington, MO is a semi-rural community only 45 minutes from St. Louis. Washington, MO has the perfect combination of small-town warmth, coupled with a sophisticated approach to patient care. Washington boasts excellent schools, historic to contemporary housing, and a healthy and diverse economy.
