Adult Psychiatry Opportunity with St. Vincent

The Anderson Center at St. Vincent Anderson Regional Hospital is seeking an Adult Psychiatrist for our behavioral service center located in Anderson, Indiana. This candidate will be responsible for assessing and determining the appropriate level of care for patients and families of both inpatient and outpatient populations, direct patient care, treatment and discharge planning, providing consultation/liaison, and medication management among other duties.

Position/Practice Highlights:
• “Best Practice” treatment plans according to past JCAHO surveys
• Comprehensive/experienced care team
• Inpatient facilities are 24/7 for adults and adolescents
• Outpatient clinic is open Monday – Friday, 8am-5pm
• Call rotation is 1:8, weekends

St. Vincent offers a strong compensation package that includes: competitive salaries, relocation allowance, CME, comprehensive health benefits, retirement savings plan (403b) with match, malpractice with tail coverage and generous paid time off.

The Anderson Center
The Anderson Center is a department within St. Vincent Anderson Regional Hospital (SVARH) and is located in a free standing building on the SVARH campus. The Anderson Center provides a full continuum of care for adults and adolescents from assessment, outpatient services, inpatient and residential for adolescents. Services are provided in the outpatient clinic for individual, family and group counseling, medication evaluation and medication management for children, adolescents, adult and geriatric patients. All programs are located within The Anderson Center.

St. Vincent has been dedicated to improving the health of Indiana communities we have been privileged to serve for more than 140 years, with 20 health ministries serving in central and southern Indiana. St. Vincent is part of Ascension – the largest nonprofit health system in the U.S. and the world’s largest Catholic health system – whose shared mission is to care for the body, mind and spirit of those we serve.
