Alaska Native Medical Center (ANMC) seeks a BE/BC Psychiatrist to join our collegial team in Anchorage, Alaska. As a Level II Trauma center, the highest trauma designation in Alaska, ANMC represents more than 30 medical specialties and serves as the tertiary referral center for Alaska Native and American Indian people from across the state. ANMC is the only Magnet-recognized hospital for nursing excellence in Alaska. Our unique patient population, breathtaking geography and cohesive team make this a one-of-a-kind practice opportunity!

In this newly created role, you will be based on our state-of-the-art medical center campus in Anchorage, managing adult psychiatric patients throughout Alaska via telemedicine consults, with occasional outpatient visits; no inpatient management required. In addition, you will conduct field visits throughout Alaska, serving as a consultant for our statewide provider network; 25% travel.

**Work Schedule:** Monday through Friday; 8 a.m. to 5 p.m.; no evenings, weekends or on-call coverage required.

**Qualifications:** BE/BC in Psychiatry; 1+ years’ post graduate clinical experience, including experience with telemedicine and substance abuse management preferred; excellent interpersonal skills; strong work ethic and culturally sensitive.

As a premier employer in Alaska, we offer:
- Highly competitive salary
- 6.5 weeks paid time off, 2 weeks CME and 10 holidays per year
- Health, dental, vision, disability and life insurance
- Guaranteed student loan reimbursement for full-time physicians
- Retirement savings plan with generous employer match
- Sign-on bonus and relocation allowance

Ranked among the “Top 10 Best Cities to Live, Anchorage is a majestic, family friendly city of 300,000, surrounded by the Chugach Mountains and the ocean. Set in scenic Southcentral Alaska, Anchorage combines a thriving cultural and urban sophistication with unparalleled year-round opportunities for the outdoor enthusiast—our campus connects to a trail system that extends for more than 250 miles. With excellent public and private schools, 2 universities and a vibrant international airport, Anchorage offers the best of metropolitan amenities with small-town values. As an added benefit, there is no state income tax in Alaska and no sales tax in Anchorage!

If you seek a meaningful practice where you can truly make a difference, while continually enhancing your skills, consider joining our dedicated and compassionate team at Alaska Native Medical Center!
