

**William S. Richardson School of Law
Environmental Law Program Announcement:**

Summer 2011 DLNR Marine Law Internship

\$2000 summer stipend

Open to first- and second-year students

Deadline: April 1, 2011

Dear 1L and 2L WSRSLS Students:

The Environmental Law Program (ELP) is pleased to announce the third annual ***DLNR Marine Law Internship***, funded through a grant to ELP from the State Department of Land and Natural Resources (DLNR) Division of Aquatic Resources (DAR) through the National Oceanic & Atmospheric Administration (NOAA) Local Action Strategies Program. Laura Allen (Class of 2011) held the first DLNR Marine Law Internship (Summer 2009), and Joanne Sheng (Class of 2012) held the second Internship (Summer 2010).

The ***Summer 2011 DLNR Marine Law Internship*** will be supervised by Wayne Tanaka (Class of 2009), who is serving in his second year as the post-graduate DLNR Marine Law Fellow. The selected intern will work with Wayne on a variety of marine law enforcement issues, including: reviewing reef-related statutes and rules in Hawai'i; developing statutory amendments and new or amended administrative rules; supporting the enforcement of DAR resource damage cases before the State Board of Land and Natural Resources; and working with the DLNR enforcement officers (DOCARE) on legal issues relating to enforcement efforts.

The summer internship offers a \$2,000 stipend for an 8-week term. The internship location is the DLNR building (downtown Honolulu). Interested applicants are encouraged to contact Wayne (wayne.c.tanaka@hawaii.gov), 3L Laura Allen (lauraca@hawaii.edu), or 2L Joanne Sheng (jsheng@hawaii.edu) for more information about their exciting experiences at DLNR.

First- and second-year students with a strong interest and background in marine law and policy are encouraged to apply. To apply, send cover letter, resume, grade summary (not a transcript), three professional references (full contact information only, no letters), and a legal writing sample by email by **April 1, 2011** to *both*: Wayne Tanaka (wayne.c.tanaka@hawaii.gov) and Professor Antolini (antolini@hawaii.edu).

Get your foot in the door with marine law and state enforcement work – apply now!
