   - Campus now meets ACCJC reserve requirements. The budget deficit has been addressed. The budget in all areas has doubles, and the new positions are “north of 70”. Thirty in the process of approval, the remainder in recruitment and will be filled by Fall 2008 Semester.

4. Academic Affairs Update: Doug Dykstra, VCAA
   - ACCJC – Will allow one week delay in preparation for the Aug deadline, now asking for Aug 28 deadline to submit report to System Office. Per Ellen, Aug 22 is College Council meeting. Report will include transition plans for WH and Manono campus.
   - Per Chancellor, transition plan includes full speed of renovation of Hale Aloha. Includes transition of UHH people to Upper campus and HawCC will move to Manono. Allied Services Nursing Group will be housed in Hale Aloha. Eventually all HawCC faculty and staff will be moved down to Manono Campus except for shops.
   - The provisional HOST AAS degree program is moving toward permanency in the Aug 31 BOR meeting. Fire Science AA program will go to Curriculum committee and Academic Senate next and hopefully to the BOR next semester. Students can be admitted into provisional program awaiting final approval from the Board.
• Web Master hiring process is not working out. The pool is inadequate for hiring. Looking for a short-term solution. Need technical expertise. ITS will be charging for services so it’s imperative to find a solution for this need.

5. **Budget Update:** No budget update

6. **Finalize Council Charter:** Ellen Okuma
   - Discussion on some changes to the Draft. Explanation of Council membership as appendix to the Charter. The appendix could be changed from time to time without changing the charter itself. Proposed Amendment #2 presented with 18 members.
   - Article IV. Recommendation that designee be allowed to represent.
   - Article VI. Delete Sections 3 and 4.

Move to adopt College Council as amended (Savage/Bader) 3 Opposed, All other members present agreed.

Objections – CTE group is too large for one member to represent when there is no format for meeting or communicating. The same objection exists for APT members. Other groups are also too large for 1 person to represent the entire group.

Prior to the next meeting of the College Council Aug 22, representation must be selected from each group.

Discussion ensued to publish the agenda of each meeting at least one week in advance so that the larger college community can be advised and participate in a meeting.
