6	I could have finish earlier than I realize but due to some counselors have put me on classes that I do not have to take, I wasted my time. Also a counselor at HCC was not very helpful to me at all. Telling me to take an ESL classes and pay on my own, She was trying to prevent me talking to chancellor because she said chancellor does not have anything to do with it. But in reality, she knows she will be in trouble big time for being a prejudice on me because of my color?and she is white. The only student counselor did more help tome was [REDACTED]. She is a wonderful counselor to talk to and will spend time helping you in any way she can and getthe job done.	2/4/2016 10:50 AM

9	The wait time to receive my certificate is unacceptable. I graduated July 2015 and I was told I won't receive it until after spring 2016. It also took the records office more than three weeks to provide confirmation that I completed the program to the State Board which delayed me in scheduling my test.	1/31/2016 1:15 PM
10	I enjoyed my time at Hawaii Community College in the Nursing Program. Every time we went to the hospital for clinical, we would get compliments that HCC students appeared to be more prepared with nursing hands on learning. Thank you HCC, my graduation night was memorable.	1/27/2016 3:39 PM
