 - Priority Actions updated and posted.
3. Scheduling for Spring 2016
 - Deadlines posted to Master Calendar
4. UHCC Student Success Committee
 - UHCC System Student Success Council (SCC) tasked to work on strategic goals for completion and acceleration. First task was to focus on Developmental Education.
 - Members of the SSC along with representatives from UHCC System, UH System, BANNER, English, Math, Student Services, Registrar, Financial Aid, Workforce, P-20 met over four days at the start of summer.
 - Models were developed based on co-requisite/acceleration for English and Math
 - English and Math groups from the four-day event met separately with VPCC Morton to present and discuss models.
 - Each campus was allowed three faculty from both to join the sub groups Curriculum Development Math Co-Requisite and Curriculum Development English Co-Requisite. HawaiiCC reps for Math – Toni Cravens, James Schumaker, Robert Yamane
HawaiiCC reps for English – Billie Jones, Caroline Naguwa, Deseree Salvador
 - The Math group met on August 20th to work on curriculum. The English group will be meeting August 31st.
 - Other Sub Committees will work on related issues:
 - Non-cognitive assessment
 - Cognitive assessment
 - Curriculum development math co-requisite
 - Curriculum development English co-requisite
 - Enrollment management
 - Grading options
 - Data and predictive analytics measures
 - Case management
 - Support services
 - Changing the Culture through professional development
5. Committees
 - Work is still progressing to find membership into committees.
 - Administration recommends:
 - Review Recruitment and Retention Committee function and change into Student Success Committee
 - Establish Sustainability Committee with Earth Day as one of its functions
