

**Ad-hoc Distance Education (DE) Committee
Academic Senate Meeting Report - September 26, 2014
Submitted by Leanne Urasaki, Chair**

Kate Sims (LA/ENG) has joined the committee this year, bringing the membership to six members:

- Leanne Urasaki, Chair
- Jessica Lerma
- Violet Murakami
- Mai Wong
- Brie Day
- Kate Sims

We have set the **4th Monday** of each month for our DE committee meetings and held our first meeting on September 22.

The committee will be dealing with several issues being carried over from last year, and the committee operates in a “flipped” mode where work is distributed and done between meetings and will be presented and discussed at the monthly meetings.
