Report of the Administrator Evaluation subcommittee
November 21, 2014

The Admin Assessment Committee met on 11/13/14 with the Academic Senate Chair Joel Peralto to discuss the future of the Admin Assessment Committee. Since it was ascertained that the Senate Charter designates the Faculty Policy Committee with the purview of evaluations, the Admin Assessment Committee recommends that the Faculty Policy Committee continue the work of creating and implementing the Admin Assessment. In the interim, the current members of the Admin Assessment Committee, Carrie Mospens; David Tsugawa; and Christine Quintana, agree to avail themselves for assisting the Faculty Policy Committee with the transition.
