- We welcome Carrie Butler from BeAT, Josh McDaniel for Math and David Tsugawa from Palamanui for English. Hooray! **Do we still need a representative for Palamanui campus?**

- ***May 1st is the deadline for new proposals to be in to your DCs.*** If you are planning on submitting or just need to know, please ask a committee member or Shyann to help with the details. Shyann knows all the ins and outs of the system and the committee are faculty members who look with a keen eye to the content and consistency of the curriculum pieces of a proposal.
- To assist in the proposal writing, the CRC committee has posted the Fast Track Policy and a faculty proposer checklist on the Curricula Affairs Portal page (under Faculty tab of the HawCC website.) The CRC Policy was approved by Senate and forwarded. We are not sure where it is in the approval process. It will go to the same Curricula Affairs Portal page when it has gotten its final approval.

□ **AGAIN - Deadline for proposal submission for Fall 2020 to your DC is May 1st.**

□ *Mahalo nui to Faculty Senate, the CRC and the administration for a job well done!*

Respectfully submitted, Jana Smith, Chair
