February 3, 2012

TO: All Interested in the JABSOM Curriculum and PBL

FROM: Satoru Izutsu, Ph.D.
       Vice Dean and Director of Admissions

SUBJECT: MEDICAL EDUCATION AT JABSOM AND PBL DEMONSTRATION
          AUGUST 24, 2012 and DECEMBER 14, 2012

The John A. Burns School of Medicine (JABSOM) utilizes innovative learning methods including standardized patients, manikin simulations, and a tutorial-based, student-centered system called Problem-Based Learning (PBL). An orientation to the JABSOM curriculum will be held on August 24, 2012 from 1:00-4:00 PM and December 14, 2012 from 1:00-4:00 PM. The orientation will include an explanation of PBL and the opportunity to take part in a PBL exercise. A description of the entire educational program and a tour of the Medical Education Building will be provided.

This session is strongly recommended for those applying or planning to apply to JABSOM. Registration will take place at the Medical Education Building of the John A. Burns School of Medicine at Kaka'ako (651 Ilalo Street) outside the 3rd floor Auditorium. Parking is available in Parking Lot C adjacent to the Research Building (enter from Ilalo Street and Forrest Avenue). The charge for parking is $5.00. Those with the following valid UH Manoa parking permits may park in Lot C: lower campus parking structure, upper campus lots, dorm lots, Astronomy lot and Dole Street structure. Please DO NOT park in Kaka’ako Park parking lot for this event as your car will likely be towed.

Questions, please contact Kori-Jo Kochi at (808) 692-0929 or kjkochi@hawaii.edu.
