Our Conference Speakers

Petros Levounis, M.D., M.A.
Chair, Department of Psychiatry
New Jersey Medical School
Dr. Petros Levounis is board-certified in Psychiatry, Addiction Psychiatry and Addictive Medicine. Prior to joining Rutgers New Jersey Medical School, he served as Director of the Addiction Institute of New York and Chief of Addiction Psychiatry at St. Luke’s and Roosevelt Hospitals from 2002 to 2013. His academic interests include the psychotherapy and psychopharmacology of addiction and co-occurring psychiatric disorders, the leading of Psychiatry, gay and lesbian mental health, and the behavioral addictions. Dr. Levounis has authored over 50 articles, monographs, and book chapters; has lectured extensively on addiction topics throughout the United States and abroad; and has been interviewed by CBS, ABC, NBC, CNN, FOX, The New York Times, and The Washington Post, among others.

Richard A. Rawson, Ph.D.
Professor and Co-Director
UCLA Integrated Substance Abuse Programs
Semel Institute for Neuroscience and Human Behavior
Geffen School of Medicine
University of California at Los Angeles
Dr. Richard Rawson has been a member of the UCLA Department of Psychiatry For more than 30 years. He received a Ph.D. in experimental psychology from the University of Vermont. Dr. Rawson oversees clinical trials on pharmacological and psychosocial addiction treatments. He is the principal investigator of the NIDA grants on aerobic exercise, screening and brief intervention in a mental health setting, and a Fogarty training grant between UCLA and Cairo University. He is also the principal investigator of the SAMHSA / PEPPAR Cooperative agreement for Workforce Development in Vietnam: HY—Addiction Technology Transfer Center and recently completed the SAMHSA / Department of State: Iraq Opioid Reduction Initiative. He has led the addiction research training projects for the United Nations, the World Health Organization, the Driscoll Foundation and the US State Department, exporting science-based knowledge to many parts of the world. Dr. Rawson has also published three books, 30 book chapters, and over 200 peer-reviewed articles and has conducted over 1000 workshops, paper presentations and training sessions.
